Respondent No.4.

**CORAM : SWATANTER KUMAR, C.J. &
DR.D.Y.CHANDRACHUD, J.**

DATED : 8TH AUGUST, 2007.

P.C.:

In this case the All India Council for Technical Education has already granted approval for intake of 30 additional students for the course of Mechanical Engineering. It is stated on behalf of the University, on the basis of the letter, that they have already recommended for grant of affiliation to the College to the State Government.

2. Learned Counsel for the State submits that because of the shortage of time and the third round of

admission is fixed today, it may not be possible to complete formalities and convey the order to the College. However, in the course of the day or two they would complete the formalities and would permit the College to take 30 additional students for the course of Mechanical Engineering.

3. Let the sum of Rs.1,00,000/- be paid by the College towards the cost of advertisement, etc. The burden shall not be shifted to the students of the amount paid for advertisement.

4. In view of the statements made on behalf of the respective respondents, nothing survives in this writ petition. The same is accordingly disposed of.

5. The respondents would abide by their statements.
